ICU baby

YOUTH AMBASSADOR PROGRAM

ICU baby is a non-profit organization that supports families with a baby in the Neonatal Intensive Care Unit (NICU). Our vision is to eliminate financial and emotional barriers that prevent families from visiting their baby in the hospital.

ICU baby's Youth Ambassador Program is for students who are passionate about wanting to make a difference for NICU families in our community. There are two ways to participate: Youth Ambassador Corps and Youth Ambassador Committee. How will you get involved?

Application Deadline is August 20th

Email vanesa@icubaby.org to apply.
